Alexandria, VA 22313-1450

Sir:

CPH Innovations Corporation (hereinafter "Assignee"), 311 South Wacker Drive, Suite 4700, Chicago, Illinois 60606-6622, is the assignee of the entire right, title, and interest in the above-identified patent application, as shown by the assignment recorded on June 29, 2004, at Reel 014788, Frame 0189, and is the assignee of the entire right, title, and interest in U.S. Patent No. 7,122,592, as also shown by the assignment recorded on June 29, 2004, at Reel 014788, Frame 0189.

Assignee hereby disclaims, except as provided below, the terminal portion of the statutory term of any patent granted on this application extending beyond the expiration date of the full statutory term defined in 35 U.S.C. §§154 to 156 and 173, as presently shortened by any terminal disclaimer, of prior U.S. Patent No. 7,122,592, and hereby agrees that any patent so granted on this application shall be enforceable only for and during such period that said patents are commonly owned, this agreement to run with any patent granted on this application and to be binding upon assignee and its successors or assigns.

Assignee does not disclaim any terminal portion of any patent granted on this application prior to the expiration date of the full statutory term as defined in 35 U.S.C. §§154 to 156 and 173 of U.S. Patent No. 7,122,592, as presently shortened by any terminal disclaimer, in the event that U.S. Patent No. 7,122,592 later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or in part or is terminally disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, is reissued, or is otherwise terminated prior to expiration of its full statutory term, except for the separation of legal title stated above.

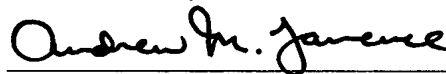

The documents establishing the assignee's chain of title have been reviewed by the undersigned and the undersigned certifies that to the best of his/her knowledge and belief, title is in the assignee.

Enclosed is a check in the amount of \$130 to cover the terminal disclaimer fee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,
